Hi Valois,

I saw that on Facebook, congrats! Yes, I do but it is very large. Let me try sending separately. Attached find the site assessment decision for the DFT uranium mines site.

Hi Dania and Chris,

The UIC Program issued final permits for the Dewey-Burdock site last week and I am assembling documents for the administrative record to prepare for the appeal. Do you have a pdf of the March 2016 SI for the Darrow-Freezeout-Triangle Uranium mines handy that you could send me, please?

Thanks!

Valois
